

Directions to the CRESS Center TB206, UC Davis

San Francisco

From Sacramento or the Bay Area, take the UC Davis exit from Interstate 80 on the west side of Davis (from Highway 113 South take the I-80 connector for Sacramento, and the UC Davis exit from that connector). At the foot of the exit ramp, turn to the north onto Old Davis Road, heading towards the campus. Continue past a kiosk that serves as a visitor information, taking the next turn lane to the left. Turn left onto California Street. FYI, the Mondavi Center should be to the right of you in the distance, about a block away.

You will come to a stop sign, proceed through intersection, across the little bridge and turn left at the next intersection (La Rue Road). Go approximately two short blocks to Bioletti Way and turn right. General parking is in lot 47 or 47A to your immediate left. Parking is by purchased permits (\$6.00).

The CRESS Center is across the street (Bioletti Way) and tucked in behind Meyer Halls and parking lot 44. (Parking lot 44 is a permanent permit parking lot only.) There is a walkway between parking lot 44 and Meyer Hall, this will take you right beside the CRESS Center. The CRESS Center is the first building at the end of parking lot 44 on your left.
