Summit Goals and Objectives

• Share core principles of the Full Service Community Schools Framework that can be adapted and modeled at the local level by county offices of education, districts, schools, and by current and sustained Healthy Start Grantees for the advancement of closing the achievement gap
• Discuss common challenges for implementing Full Service Community Schools and share successful strategies for overcoming them
• Learn about the current status of state and federal support for Full Service Community Schools
• Develop statewide collaboration for Full Service Community School stakeholders
