WORKSHOP AT A GLANCE
In this workshop, we will explain the basic principles and requirements of the LCFF as established by current statutes and state regulations. We will provide the most current analysis of how this new formula affects school districts in terms of revenue, budget planning, and maintenance of existing programs. We will provide sample local plans that we consider “best practices” and offer advice on how local priorities can be incorporated into local plans.

WHO SHOULD ATTEND
Superintendents, School & County Office of Education Administrators, School Business Officials, and UC Davis Grad Students & Faculty in the field of education are encouraged to attend
