With love’s light wings did I o’er-perch these walls.
O full of scorpions is my mind dear wife
My mistress with a monster is in love
These words like daggers enter in mine ears
Schoolmasters will I keep within my house

Schoolmasters will I keep within my house

With
Fallen am I in dark uneven way

With
Under love's heavy burden do I sink
I have supped full with horrors

I have supped full with horrors
I am too much in the sun

I am too much in the sun
I am in blood stepped in so far
