Emerging Scholars Panel
Pushing the Boundaries of Equity-Oriented Research
A special panel showcasing critical, diverse disciplinary perspectives in education from exceptional pre-tenure scholars across the nation.

MARIBEL SANTIAGO, PHD
Assistant Professor, Dept. of Teacher Education
Michigan State University
Dr. Santiago is an interdisciplinary scholar who merges teacher education and curriculum studies with history. She specializes in Latina/o history education, a field she is developing.

JUAN C. GARIBAY, PHD
Assistant Professor
University of Virginia
Curry School of Education
Dr. Garibay uses a variety of statistical methods to examine issues of diversity, equity, social justice, and sustainability/environmental justice in higher education.

ANTERO GARCIA, PHD
Assistant Professor, Department of English, Colorado State University
Dr. Garcia’s research focuses on developing critical literacies and civic identity through the use of mobile media and game play in formal learning environments.
