Creation Station

Ages: 8-10

Get those creative juices flowing with a week of hands-on fun! Discover that the best toys are the ones you make yourself as you build rollercoasters, water rockets and parachutes. When you work up an appetite, you will learn to make your own ice cream for snack time. Impress your family and friends with your new found skills all year...at least until next summer.

Outdoor Explorer

Ages: 11-13

Experience all Grizzly Creek Ranch has to offer! Get ready for a week packed with fun and friends. You'll bunk in our cozy cabins, hike our awesome trails, meet some critters at our pond and participate in classic camp activities like capture the flag and arts and crafts. We'll also take advantage of our amazing location in the Sierra Nevada with trips to a local recreational area.

Extreme Adventure

Ages: 14-17

Do you like to get extreme? Here at Grizzly Creek Ranch, we have all you can handle! Scale the 5-story Alpine Tower, explore the rugged landscape, and fly down the zip-line - all without leaving the comforts of camp. After warming up your adventure muscles, we'll spend two incredible days in Lassen Volcanic National Park. Take it to the limit in Extreme Adventure Camp this summer.

Color Wars

Ages: 8-17

One week. Two teams. Serious competition. The battlefield - Grizzly Creek Ranch. All activities are designed to show off your skills as you work to earn points for your team. Retrieve tokens from the top of the Alpine Tower. Outwit your opponents by solving mind bending puzzles. Dazzle the directors with your costumes and performances at skit night. Tired yet? You better save some energy for jousting, jello fighting, and the largest tag game ever. The staff is not off the hook either. You better hope your counselors are ready for the staff basketball game and fire building competition. Who will be victorious at the first Color Wars? You decide. See you in July. Start training.

Survival Camp

Ages 11-13

Price: \$499

Dates: Session 1: 6/15-6/20, Session 2: 6/22-6/27, Session 3: 7/20-7/25

Have you ever wondered what it would be like to live without the conveniences of our modern world? Come spend a week in the wild learning fundamental survival skills and techniques such as animal tracking, finding water, and learning to use a map and compass. We'll stay on Grizzly Creek Ranch Campus in teepees and camper built shelters. Food is delivered from our on-site kitchen and you will learn to make meals. Investigate the Sierra Nevada Mountains with safe, experienced instructors.

Counselor in Training (CIT)

Ages 15-17

Price: \$799

Dates: 6/29-7/11

Learn what it takes to be a dynamic camp counselor! Spend your first week shadowing staff across our program areas and working with campers of all ages. You will also spend time with our Directors learning the 'behind the scenes' elements of camp counseling. Put your newly acquired skills to the test in week two, when you'll be fully integrated into our staff. You will lead songs, games, and teach at program areas. This is a great experience for anyone interested in becoming a full-time camp counselor, learning about youth development, or gaining leadership skills!

Ages 8-17

Price: \$120

Dates: Session 1: 6/27-6/29, Session 2: 7/4-7/6, Session 3: 7/11-7/13, Session 4: 7/18-7/20
