IDEAS

NOT SURE IF YOU SHOULD SUBMIT YOUR PROJECT? NEED IDEAS?
HERE ARE SOME THINGS TO THINK ABOUT...

IDEAS FOR A YOUTH-LED SOCIAL MEDIA PROJECT:
* Create a Facebook group supporting Youth Voice in your community.
* Create an online map that shows geographic pictures of “the good, the bad, and the ugly” in your neighborhood.
* Create a student blog to increase school and community safety.
* Post a YouTube video on how to make discipline policies better for all students.
* Post photos on Flickr showing ways to improve the environment in your neighborhood.
* Start a community discussion forum online where students can contribute their thoughts, questions, or advice about family or relationship questions.
* Create a website about how to improve the school and community water.
* Create a documentary about classes at your school that students might really be into, like Ethnic Studies, History of Hip Hop, or Student Activism in the 21st Century.
