

The UC Davis Young Scholars Program is a fee-based enrichment program sponsored and supported by the UC Davis School of Education.

Participants in the Young Scholars Program will work one-on-one with research faculty and research groups in state-of-the-art laboratories for six weeks. Each student will work on an individual project and prepare a journal quality paper and symposium presentation about their work.

We are committed to supporting all students in their application for the program and attendance, should they be admitted.

APPLICATION FEE WAIVER

Applicants can request an application fee waiver by emailing the Program Director at ysp@ucdavis.edu and requesting a waiver. An application fee waiver will be granted to any student who requests one prior to the application deadline.

PROGRAM EXPENSES

The program fee covers program activities, as well as five (5) units of university Group Study credit. **The cost for the program is \$6500.**

PROGRAM FEE REDUCTION

Substantial fee reductions (up to 90% of cost) are available for students on a needs-based sliding scale to ensure that all qualified, accepted, students have an opportunity to attend.

Fee reduction requests are evaluated separately from program applications.
