Welcome to the Single Subject Teacher Credential/MA Information Session!

We will get started shortly but while you wait, please be sure you have reviewed and/or downloaded the resource packet we sent you.

- Introductions
- Presentation format & asking questions
- Housekeeping
  - Please sign in to the chat: Your name and email address
  - Please also indicate your subject of interest: Agriculture, English, Math, Science, or Social Studies
- At the end, we will have a Q&A session

The UC Davis Difference

https://youtu.be/2NVflZJHkJ0
Principles That Guide Us – Our 4 Pillars

Credential Programs Offered

- Elementary Programs (grades K-6)
- Secondary Credentials (grades 7-12)
  - Agriculture
  - English
  - Mathematics
  - Science
  - Social Science
- Bilingual authorization in Spanish or Mandarin; Agriculture applicants please inquiry about Bilingual Authorization option.

*High needs areas offered at UCD are: math, science, bilingual Spanish

Is Now A Good Time To Go Into Teaching?

YES!

- Record number of new teachers being hired
- Increased number of students entering the K-12 schools
Master of Arts Degree & Teaching Credential

- The combined program can be completed in less than 2 years
- You are employed as a teacher while taking MA classes at times outside of your teaching workday
- No need to reapply or take the GRE
- Although the majority of students do complete the Master of Arts degree, continuation to finish the MA is not required

Can You Benefit From A Masters Degree?

Hear from some of our recent students:
https://ucdavis.box.com/s/ctbpsqoe9jvpsm1cn4ixrspcqowozxt8

Student Teaching At UC Davis

- The K-12 classrooms where students are placed are linguistically, ethnically, and socio-economically diverse and reflect a typical California public school.
- Student teaching placements are in local school districts where we have long-standing partnerships: Davis, Dixon, Elk Grove, Fairfield-Suisun, Folsom-Cordova, Natomas, Sacramento City, San Juan, Travis, Twin Rivers, Vacaville, Washington, Winters, Woodland (Partner districts can vary from year to year/subject to subject)
- Faculty determine your placement while considering where you live, transportation needs, and grade level preference
Student Teaching (continued)

• Integrated model in which credential coursework and the public school classroom experience occur concurrently
• Exposure to the full K-12 academic year. You help set up the classroom and are in your placement from the first day of the K-12 school year in August through their last day in June
• UCD Supervisors work closely with Resident Teachers to guide you; frequent observations
• Most students may experience two different classrooms but this will vary by subject and year

Faculty Contacts
For Program-Specific Inquiries
Middle/High School Single Subject Credentials (grades 7-12):
- Agriculture Lynn Martindale lmartindale@ucdavis.edu
- English Pauline Holmes pvholmes@ucdavis.edu
- Mathematics Matt Wallace mmwallace@ucdavis.edu
- Science Megan Bettis mmckenne@ucdavis.edu
- Social Sciences Rebecca Rosa robrien@ucdavis.edu

Bilingual Authorization (K-12):
- Mandarin Nancy Tueng nntueng@ucdavis.edu
- Spanish Susana Mayorga smayorga@ucdavis.edu

Are UC Davis & Teaching For You?

Faith Flomo who completed the UC Davis Multiple Subject/MA program several years ago shares her experience in our program:
https://ucdavis.app.box.com/s/vziitm3j3w6n97m0y0f9nzw6c2hym8mo
Deadline | What does this mean?
---|---
**January 15**<sup>th</sup> | Applicants who submit their application by the Scholarship Deadline are considered for School of Education Merit-Based Scholarship.

**January 16**<sup>th</sup> through **March 15**<sup>th</sup> | Applications received during this time will only be reviewed if there is “space available” in the particular subject to which they are applying.

---

**Deadlines To Apply**

---

**Prerequisite Overview – Most Important!**

1. **BACHELOR’S DEGREE**
   - Complete all requirements for bachelor’s degree in spring (mid-June) (No summer graduation)

2. **30 HOURS OBSERVATION**
   - Refer to application resources for list of options to meet this requirement. p.11-12

3. **UNDERGRADUATE GPA OF AT LEAST 3.0 from degree-granting university/college**
   - GPA:
     - Limited Exceptions granted
     - Submit unofficial transcripts for review by Student Services
   - All should be completed, or near completion, at time of submission

4. **BASIC SKILLS REQUIREMENT**
   - Commonly referred to as CBEST. Refer to application resources for list of options to meet this requirement. p.8-9

5. **SUBJECT MATTER (CSET)**
   - Refer to website for list of options to meet this requirement. p. 10

---

**Prerequisite Overview**

1. **EDUCATIONAL PSYCHOLOGY**
   - Complete equivalent course by July.
   - UCD may offer a course in summer

2. **U.S. CONSTITUTION**
   - Must complete by March of credential program; we advise completing before the program begins

3. **BILINGUAL AUTHORIZATION – ONLY**
   - CSET: MANDARIN SUBTEST III
     - Pass by Aug 1.
   - CSET: CHINESE SUBTEST V
     - Pass by March of credential program
   - CSET: SPANISH SUBTEST V
     - Pass by March of credential program

These prerequisites can be completed after you submit your application.
Course equivalency website: https://courses.teach.ucdavis.edu
TIPS TIPS TIPS!!!

1. Take these prerequisites courses while you are an undergrad:
   • UCD-EDU 110 - Educational Psychology*
   • UCD-EDU 115 - Educating Children with Disabilities*
   *Check our Course Equivalency website for approved courses taken at other universities

2. CBEST and CSET Test Fees
   • Test fees will be refunded by the testing agency for all tests taken between July 1, 2022 and June 30, 2023
   • You will need to register and pay for the exam fees. After you have taken the test, Pearson will contact you regarding a refund.
   • Before you register, be sure to check if you can use coursework to meet either of these requirements.

Course Equivalency Website: https://courses.teach.ucdavis.edu

Application Tips

– What will you bring to the program/teaching?
– What is your understanding of working with diverse populations and how committed are you to serving them? Provide details in your application!
– Describe the classroom experience you have had and indicate appropriate grade level/subject. Was it in a diverse setting? What other settings have you interacted with learners?
– Do your written responses reflect who you are, why you want to teach? Did you spell check your responses?
– Do you have life experiences that required you to be persistent, have you overcome challenges?

Additional Support

• Prescribed course schedule within a cohort model; guaranteed a spot
• Knowledgeable/supportive credential and advising staff
• Job Search Assistance and Support
Resources

The resources listed below were available for download from our website. If you aren’t able to locate these or need assistance, please email us at: eduadvising@ucdavis.edu

Q&A Session

To ask a question:

1. Click on “participants” icon on menu bar.
2. Select “raise hand.”
3. We’ll call on you one at a time.
UC DAVIS: Basic Skills Guidance

The Basic Skills Requirement is made up of three content areas: Reading, Writing, and Mathematics. Recent changes now allow you to mix and match the options you may use to meet this requirement. You can combine the options of passing test(s) and passing course(s) until you met an option for each content area. To determine if you have met this requirement already, please follow these steps:

1. Review each content area listed on the mix and match option chart to see if you have already completed the requirement. If after reviewing the tests already taken section you have not yet met all content areas, you will next explore if you have passed course(s) in the content area:

   a. **UC Davis undergraduates**: Review our Course Equivalency website to see if you took any courses as a UC Davis undergraduate that will meet a content area. You had to earn a grade of B- or higher (Pass/Credit works if letter grade not offered) and need a total of 4.0 quarter units in each content area.

   b. **If you transferred Community College coursework to UC Davis**: Review our Course Equivalency website to see if any of your courses are listed. If they are not, follow the steps listed below in C-ii.

   c. **Undergraduate not from UC Davis**: If you believe you passed a course that covers the required content:
      
      i. **Reach out to the Teacher Education program** where you completed the course and ask them to email verification that the course meets the CTC requirements to credentialanalyst@ucdavis.edu. If you need assistance or guidance on this, please email us at that email address.

      ii. **If there is no Teacher Education program at your college** – please submit a course inquiry on our Course Equivalency website, providing the course description and syllabus of the course you believe meets the content area. Our faculty will review your request and we’ll get back to you in about two weeks.

2. If after reviewing the options for tests and/or courses you have already taken, you have not met an option from each content area, take the CBEST exam covering the unmet content area(s). Please review our website for information on recommended timing to schedule your exam.

3. Complete our Basic Skills Summary to indicate how you have met/will meet this requirement. You will receive an email from eduadvising@ucdavis.edu summarizing your submission. Hold on to this email until you are ready to submit your application for admission.

4. After submitting your application for admission, Graduate Studies will email you directions to upload required documentation. Please PDF the Basic Skills Summary email (from step 3) along with test results you are using to meet this requirement and upload as your Basic Skills.

**Important note on CBEST scores:** If you have taken and passed all three sections of the CBEST, you can score as low as 37 on one or two sections provided that the total score is 123 or higher. The minimum score of 41 per section is only required if you are using the mix n’ match option.

Please contact us at eduadvising@ucdavis.edu with questions.
Subject Matter Requirements

All credential candidates must demonstrate their proficiency in the subject matter area of their intended credential. Due to new legislation, there are 3 new options for you to meet your Subject Matter Requirements in addition to taking the CSET. You can find information on these new options on our website.

We have also created a Guidance Document for each of the specific subjects our program offers:

- Agriculture
- English
- Mathematics
- Multiple Subjects
- Science-Biology
- Science-Chemistry
- Science-Geoscience
- Science-Physics
- Social Science

These documents will help guide you in determining if you have taken coursework that would meet this new option for Subject Matter.

Subject Matter Workshops

Because the coursework option can be rather confusing, we are holding workshops to explain the process. These workshops will be held via Zoom on the following dates:

- Wednesday, October 12, 2022, starting at 5:30 pm
- Tuesday, November 29, 2022, starting at 5:30 pm

To attend a session, please RSVP to credentialanalyst@ucdavis.edu for the Zoom link and indicate which session you want to attend. Sessions will last about 60-90 minutes, depending on the number of questions.

Questions

Questions regarding these new Subject Matter Requirements should be directed to: credentialanalyst@ucdavis.edu.
Classroom Observation Prerequisite—
2023-2024 Admission Cycle

In order to prepare for our Teacher Credential program, it is important for you to have some knowledge of California public school classrooms and the teacher’s work in that classroom. Your credential application should document **30 hours** spent participating with and observing learners. **We recommend that your classroom observation be completed or almost completed at the time you submit your application.**

**How do I meet the Classroom Observation requirement?**

To meet this requirement, please document **at least 20 hours** of classroom observation. Classroom observation should:

- Be in a California Public School classroom(s) or an equivalent*
- Be in grades TK-6 for Elementary/Multiple Subject applicants
- Be in a Middle School or High School setting, in the subject you wish to teach, for Single Subject applicants
- Be with a group/classroom of students in a classroom setting
- **NOTE:** There is flexibility with the additional **10 hours**; they may be spent in a similar setting as the first 20 hours, or they can be spent in other learning situations, such as after-school mentoring programs, camp counseling, coaching or tutoring, in which you will reflect on interactions with school-age learners

**How do I obtain Classroom Observation?**

- Contact a school district for information on how to volunteer and connect with a teacher with whom you can observe
- Complete the UC Davis EDU 100 Introduction to Schools course or MAST EDU/GEL 181 and/or EDU/GEL 183 courses at the appropriate subject/grade level or UC Davis UWP 197TC course- Writing Ambassadors

**How do I document my Classroom Observation? All Applicants:**

- Must answer the question describing relevant observation/experience with learners (found in Section 10 in the online admissions application). **Do not leave this question blank.**
- Then complete the Classroom Observation Form and ask the cooperating teacher or site administrator to sign as verification of your hours. **Signed form (s) must be submitted with online application.**

To obtain a copy of the Classroom Observation form visit: [https://education.ucdavis.edu/general-information/2-classroom-experienceobservation](https://education.ucdavis.edu/general-information/2-classroom-experienceobservation)

*If you believe you have a **unique** experience outside of the California public school classroom or if you have substitute teaching experience that may meet this requirement, please provide a description of your experience for faculty review and send to Student Services at eduadvising@ucdavis.edu before applying.
Classroom Observation Form

Please print & complete this form, have the teacher/principal/supervisor sign it, and upload to your online application.

Applicant Name: 

Proposed Graduate Program: Education Year you wish to begin: 

Proposed Degree Objective: MA/Credential

School/location in which field observation took place: 

School/location phone number: 

Start date of observation: End date of observation: Total Hours: 

Name of the teacher/principal/supervisor in charge of the observation: 

Please provide a brief description of your hours of observation in a California public school/other setting:

The intent of this form is to obtain a record of the applicant’s experience in working with children or adolescents in a public school classroom or similar setting. Due to the wide variety of field experiences, there is no accurate basis for comparison. Therefore, the School of Education prefers that the applicant’s performance NOT be evaluated by the teacher/verifier.

SCHOOL OF EDUCATION
Teacher Education

Links for applications submitted for AY 2023-24
Financial Information 2023-2024

The UC Davis Teacher Credential Program estimated cost to attend can be viewed on the Cost of Attendance by Program page. Here are some options for funding your teaching credential program:

Scholarship/Grant
For the Credential year, the School of Education offers a number of scholarships and grants to well-prepared applicants who apply by January 15th. Masters year funding is awarded at the end of the Credential year.

Veteran's Benefits
If you qualify for VA benefits, please contact the VA Center by email to vaoffice@ucdavis.edu or calling 530-752-2020. We want to make sure you receive any tuition fee waiver and housing allowance you are entitled to in a timely manner. Email credentialanalyst@ucdavis.edu at the School of Education, for general guidance.

Cal Grant
Undergraduate Cal Grant A and B receipients who plan to enroll in a teaching credential program (TCP) after they receive their bachelor’s degree may be eligible to renew their Cal Grant award for an additional year. You will need to work with the California Student Aid Commission (CSAC) to verify eligibility and submit the G-44 Form (Request for Cal Grant Teaching Credential Program Benefits) to request benefits. For assistance, please contact CSAC at (888) 224-7268.

Golden State Teacher Grant Program
The Golden State Teacher Grant Program (GSTG) awards up to $20,000 to students currently enrolled in a professional preparation program approved by the Commission on Teacher Credentialing (CTC) and working towards earning their preliminary teaching credential. For assistance, please contact CSAC at goldenstateteachers@csac.ca.gov.

Loans
There are a variety of loan options to help you fund your education. Completing the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application (CADAA), allows the university to determine what types of financial aid you qualify for. When completing your application, please indicate that you are applying to a Grad/Professional program – not teacher credential. UC Davis school code is 001313.

International Students
For our International applicants, please see the Alternative Loan information on the Financial Aid and Scholarships website for possible loan options.

Financial Aid Contact information
Additional information is available at the Apply for Financial Aid webpage. If you have any questions, please feel free to send us a message through Contact an Expert, or contact our Financial Aid Representative, Vince Ramos at vramos@ucdavis.edu

By mid-April, our Financial Aid office will provide each admitted student with a personalized financial aid package, which may include grants, scholarships and offered loans.
CERTIFICATE OF CLEARANCE
Due May 1st of the year admitted

Are you planning to become a teacher?
You will need a valid Certificate of Clearance or a valid Emergency 30-day Substitute Permit prior to the start of your student teaching placement during the credential program. Either document verifies that you have completed the California Commission on Teacher Credentialing’s required background check and are cleared to begin student teaching.

Not sure which credential program you want to attend?
No problem! The Certificate of Clearance works for all California credential programs so you can start the Certificate of Clearance process while you are still deciding which program you want to attend. Although not required by UCD, some programs require you to submit proof of your Certificate of Clearance with application materials so it is important to get the process started early.

Why should you apply for the Certificate of Clearance NOW?
When you apply for your Certificate of Clearance, your fingerprints are sent to the California Department of Justice and the FBI for processing which can take anywhere from a few days to several months. Any delays in processing may impact your ability to begin student teaching. Applying early allows you enough time to resolve a problem if one should arise.

Do you already hold a Substitute Permit?
If you currently hold a valid 30-day Emergency Substitute Permit, you have already completed the background check. Please contact Student Services at eduadvising@ucdavis.edu to inform us you hold a sub permit.

How can you apply for a Certificate of Clearance?
Follow the Commission on Teacher Credentialing’s online application process with a step-by-step checklist which can be found at: https://www.ctc.ca.gov/credentials/submit-online.html.

For more detailed instructions, visit the “Admitted Students – Things to Do” section on the UC Davis Teacher Education website: https://education.ucdavis.edu/info-admitted-students.

What may cause a delay in obtaining a Certificate of Clearance?
(1) Incomplete Application – complete both parts:
   - Step 1: Go to a Live Scan operator with the appropriate CTC form and have your fingerprints scanned.
   - Step 2: Submit your application- Find complete details on our website at: https://education.ucdavis.edu/general-information/8-certificate-clearance
   - NOTE: Make sure your ssn, full legal name & date of birth are correct on Livescan & Clearance application.

(2) Professional Fitness Review
You must disclose all criminal convictions, even those that have been expunged. If you answer YES to any of the Professional Fitness questions, additional documents must be submitted. Please review the Commission’s directions at: https://www.ctc.ca.gov/educator-discipline/pfq-applications

A criminal conviction does not automatically disqualify you from obtaining a Certificate of Clearance but it will significantly delay the issuance by several months. Our Admission Coordinator, Tracy Falk, is here to confidentially assist you. Please contact her at tafalk@ucdavis.edu or (530) 752-2367.
Teaching Credential/MA Program 2023-2024
Application Submission Process

Use this information to ensure you have completed all required parts of the application.
For complete instructions including our handy Application Guide please visit the School of Education website at: https://education.ucdavis.edu/how-apply-teaching-credential.

Please review Basic Skills Summary information prior to applying: here.

Part 1: Apply Online:
Submit the online Graduate Studies application form with payment of fees, found at https://grad.ucdavis.edu/apply. You must complete the Statement of Purpose, Diversity Statement, and essay questions.

Part 2: Upload Supporting Documents:
After you submit your application online, Graduate Studies will email you directions to upload your supporting documents (items #1-4) into your online application:

1. Digital versions of transcripts from each college/university you attended. (Unofficial transcripts are acceptable. For more information, please click here.)
2. Basic Skills verification (See Basic Skills Guidance document for acceptable items here.)
3. Subject Matter verification (see Subject Matter Verification handout for acceptable item here.)
4. Classroom Observation Verification (Click here for more details!)
5. Once submitted, any updates to supporting documents need to be sent directly to the program at eduadvising@ucdavis.edu.

Part 3: Email Prerequisite Plans:
If you have not completed your Educational Psychology, U.S. Constitution, or Fundamental Math (elementary applicants only) prerequisites, email eduadvising@ucdavis.edu to let us know your plan to complete these requirements.

Part 4: Your application is considered ready for review once Parts 1, 2, & 3 are complete.

Questions? Email us at eduadvising@ucdavis.edu
Are you READY to Apply?

This Self-Assessment is intended to assist you in evaluating your progress towards completing the UC Davis Teaching Credential/MA Program prerequisites. After reviewing this packet, please complete the Self-Assessment. For additional information about program prerequisites visit https://education.ucdavis.edu/teaching-credential-admissions-prerequisites

Check (✓) each box for the prerequisites you completed.

*To be considered a highly qualified applicant, it is best if these prerequisites are completed or near completion at the time you apply.

** These prerequisites can be completed after you submit your application, but you must have a plan for how and when you will complete them. The prerequisite link above lists a variety of options. If you are meeting the prerequisite through coursework, visit the Course Equivalency website for a list of approved courses or to submit a Course Inquiry. https://courses.teach.ucdavis.edu/

Questions? Email Student Services at eduadvising@ucdavis.edu
Frequently Asked Questions: Bilingual Spanish

Q: Am I applying for a Bilingual Credential?
A: You are applying for a Bilingual Authorization. The Authorization is in addition to your Multiple or Single Subject Credential. That is why when you apply to the program you will either choose our Multiple Subject or Single Subject program.

Q: How will I demonstrate my Spanish fluency?
A: You will demonstrate your Spanish fluency in two ways. First, you must pass a written examination administered by the School of Education that will assess your knowledge of written Spanish. Second, during your interview you must pass an oral interview, which focuses on your ability to communicate effectively in Spanish. You will also be asked during the interview to present a short lesson that demonstrates your ability to deliver content information in Spanish.

Q: Are there any additional course requirements for a Bilingual Authorization?
A: Yes, there are additional courses that satisfy state requirements for the Bilingual Authorization that you must complete during your Credential year.

Q: What is the additional cost to get a Bilingual Authorization?
A: You will need to pass an additional CSET exam: CSET Spanish subtest V (history, geography, politics, and culture-test code 258). We recommend (but do not require) taking it before the start of the program. The fee for this subtest is $99*. For more information on the CSET Spanish subtest V and how to register, please click here. UC Davis does not charge an additional fee for the bilingual course(s) as they are taken along with your regular credential coursework.

Q: Will I be placed in a bilingual student teaching setting during the Credential year?
A: Yes, you will be placed in a classroom setting to practice your Spanish skills. Multiple Subject candidates will be placed in a bilingual classroom for the long-term placement. Single Subject Candidates must teach in a Spanish setting during their short-term placement or for a minimum of 3 weeks, when possible.

Q: Does my Spanish need to be perfect? Do I need to be a native-Spanish-speaker?
A: You do not need perfect Spanish (there is no such thing!) and you do not need to be a native speaker. There are many kinds of bilinguals. Some grew up speaking Spanish, but never studied it in school, while others learned Spanish living abroad or as Spanish majors in college. If you can read, write, speak, and understand advanced Spanish and communicate clearly, you may be eligible for a Bilingual Authorization.

*Please note: the CSET exam fees are waived as of July 1, 2022 through June 30, 2023. Students will need to pay for the exams when they register but will receive a refund after taking the exam.
Information regarding a Bilingual Authorization in **Spanish**

**California needs more bilingual teachers!**

Bilingual education is growing in California and we have a shortage of bilingual teachers. California’s bilingual students deserve teachers who understand what it’s like to learn in and through a second language and who can support them in becoming bilingual and biliterate. You can help fill this need!

The Bilingual Authorization in Spanish authorizes elementary and secondary school teachers to provide instruction in Spanish to English Learners as well as students learning Spanish. This is in addition to the regular Credential, which prepares all candidates to support English Learners and to teach English Language Development (ELD), as well as Specially Designed Academic Instruction in English (SDAIE). The Bilingual Authorization prepares candidates to teach the following:

1. Content instruction in Spanish delivered to students whose primary language is Spanish, as well as those learning Spanish.
2. Instruction designed to develop students’ academic Spanish skills.

For more information about either the Multiple Subject or Single Subject Bilingual Authorizations, please visit our website: [https://education.ucdavis.edu/bilingual-authorization](https://education.ucdavis.edu/bilingual-authorization) and contact Professor Susana Mayorga, Spanish bilingual coordinator, if you have any further questions at smayorgac@ucdavis.edu.

You may also contact Student Services at eduadvising@ucdavis.edu for assistance with academic advising about the Bilingual Authorization.

**Teachers who earn the Bilingual Authorization in addition to the elementary or secondary credential are in great demand in the public schools!**
California needs more bilingual teachers!
Bilingual education is growing in California and we have a shortage of bilingual teachers. California’s bilingual students deserve teachers who understand what it’s like to learn in and through a second language and who can support them in becoming bilingual and biliterate. You can help fill this need!

The Bilingual Authorization in Mandarin authorizes elementary and secondary school teachers to provide instruction in Mandarin to English Learners as well as students learning Mandarin. This is in addition to the regular Credential, which prepares all candidates to support English Learners and to teach English Language Development (ELD), as well as Specially Designed Academic Instruction in English (SDAIE). The Bilingual Authorization prepares candidates to teach the following:

1. Content instruction in Mandarin delivered to students whose primary language is Mandarin, as well as those learning Mandarin.
2. Instruction designed to develop students’ academic Mandarin skills.

For more information about either the Multiple Subject or Single Subject Bilingual Authorizations in Mandarin, please visit our website: https://education.ucdavis.edu/bilingual-authorization and contact Dr. Nancy Tseng, faculty coordinator at nstseng@ucdavis.edu.

You may also contact Student Services at eduadvising@ucdavis.edu for assistance with the Bilingual Authorization.

Teachers who earn the Bilingual Authorization in addition to the elementary or secondary credential are in great demand in the public schools!
Frequently Asked Questions: Bilingual Mandarin

Q: Am I applying for a Bilingual Credential?
A: You are applying for a Bilingual Authorization. The Authorization is in addition to your Multiple or Single Subject Credential. That is why when you apply to the program you will either choose our Multiple Subject or Single Subject program.

Q: How will I demonstrate my Mandarin fluency?
A: You will demonstrate your Mandarin fluency by taking and passing CSET Mandarin-subtest II (test code 165). This must be passed before August 1st if you wish to pursue the Mandarin Authorization through our program. For more information about the Mandarin CSET and how to register, please click here.

Q: Are there any additional course requirements for a Bilingual Authorization?
A: Yes, there are additional courses that satisfy state requirements for the Bilingual Authorization that you must complete during your Credential year. In addition, you must pass CSET Chinese subtest V (test code 253). For more information about the Chinese CSET and how to register, please click here.

Q: What is the additional cost to get a Bilingual Authorization?
A: You will need to pass two CSET exams: CSET Mandarin subtest III (noted above) and CSET Chinese subtest V (geography, history, politics, and culture). Each subtest costs $99*. UC Davis does not charge an additional fee for the bilingual course(s) as they are taken along with your regular credential coursework.

Q: Will I be placed in a bilingual student teaching setting during the Credential year?
A: Yes, you will be placed in a classroom setting to practice your Mandarin teaching skills. Multiple Subject candidates will be placed in a bilingual classroom for the long-term placement. Single Subject candidates must teach in a Mandarin setting during their short-term placement or for a minimum of 3 weeks, when possible.

Q: Does my Mandarin need to be perfect? Do I need to be a native Mandarin speaker?
A: You do not need perfect Mandarin (there is no such thing!) and you do not necessarily need to be a native speaker. There are many kinds of bilinguals and ways to learn Mandarin. However, you do need to have more than experience than just taking a couple of Mandarin classes would provide. If you can read, write, speak, and understand advanced Mandarin and communicate clearly, you may be eligible for a Bilingual Authorization.

*Please note: the CSET exam fees are waived as of July 1, 2022 through June 30, 2023. Students will need to pay for the exams when they register but will receive a refund after taking the exam.
